

Product Features

Save time and simplify fryer cleaning with our exclusive no-waste dissolvable packets, just drop and forget. Each packet delivers an accurate, pre-measured dose with no mess or disposal of paper or plastics. This concentrated, low-foaming boil-out cleaner with Power Crystals effectively removes baked-on grease, carbon buildup, sugars, salts, fats, and proteins, while performing reliably even in hard water conditions. It's safe for most metals (may discolour aluminum) and helps extend oil life for better-tasting fried foods, offering a cost-effective cleaning solution. Each case includes 12 × 8 oz dissolvable packets.

Directions

- Durable die-cast aluminum construction gives long service-life
- Turn off fryer, drain oil out of fryer
- Fill fryer with water to the minimum fill line
- Place other items in fryer (baskets, tongs, screens, etc.) to clean them as well
- Turn fryer to “boil-out” setting (simmer) just below boil. DO NOT BOIL.
- Drop one 8 oz dissolvable packet into fryer (two packets for fryers over 60# of oil)
- Let solution simmer for 15-20 minutes. DO NOT ALLOW TO BOIL.
- Use brush or scrub pads to clean inside of fryers
- Thoroughly RINSE fryer with fresh potable water and dry
- Replace with new oil, or the oil you have drained from your fryer

IMPORTANT INFORMATION

DO NOT ALLOW PRODUCT OR SOLUTION TO COME IN CONTACT WITH FOOD

Remove all food and food packaging items from area before using this product. Dismantle all appropriate equipment parts. Drain oil from fryer and dispose of properly.

MONTHLY BOIL OUTS RECOMMENDED IN EACH FRYER

Handling and Storage: Store product inside and away from moisture. Keep internal plastic bag sealed around Boil Out Packets. Handle packets with dry hands only to prevent damage to package.
